TECHNICAL SPECIFICATION	COMMENT:		

ELECTRICAL

- 14 sealed lamps, 4" diameter
 - SFS80 Halogen 11 W per lamp (1A)
 - SFS80L2 20 LED per lamp (0.2A)
 - SFS80L4 40 LED per lamp (0.4A)
 - SFS80L6 60 LED per lamp (0.6A)
- 12VDC supply by default
- Automatic intensity adjustment, with a photocell integrated to the arrowboard body
- Rear facing indicator lamp Ø19mm (3/4") included

MECHANICAL

- Body made of moulded UV resistant ABS, black with haircell finish, 7/32" thick
- Includes 180° sun visors on each lamp
- 4 reinforced mounting holes Ø=7/16" and drain holes at each tip
- Square insertion holes for a motorized support
- Watertight strain relief on the control cable
- Approximate weight : 18lbs (8kg)

CABLES

- Choose your length, 7 conductors 18awg, 6m standard

SCC8006	6 metre	SCC8011	11 metre
SCC8008	8 metre	SCC8012	12 metre
SCC8009	9 metre	SCC8015	15 metre
SCC8010	10 metre		

MOTORIZED SUPPORT

- Choose from our selection
 - SBM10, rugged
 - SBM20, low profile

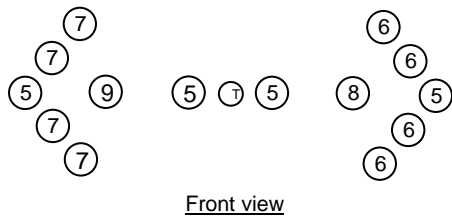

REPLACEMENT PARTS

- | | | | |
|-------------------------------|-------------------------|----------------|-------------------------|
| • 180 degree visor | PF3004 | • Lamp, 20 LED | SLL4124 |
| • Arrow body | PF3010 | • Lamp, 40 LED | SLL4144 |
| • Custom length control cable | SCC80XX | • Lamp, 60 LED | SLL4164 |
| • Lamp, 11W halogen | PL9005 | | |
